Norwich Historical Society

Sponsorship Information

2024

ABOUT US

Formed in 2001, the NHS seeks to preserve, protect, and promote the rich history of Norwich, CT. We are a 501(c)(3) non profit organization, run by an Executive Director and a volunteer board of directors.

The NHS enhances Norwich's heritage tourism by operating the Norwich Heritage & Regional Visitors' Center and creating the Walk Norwich Trails, a series of historically themed self-guided walking tours.

We host programs such as walking tours, lectures, and historical reenactments. NHS rehabilitates historic buildings with the goal of opening them to the public.

OPPORTUNITIES

Walking Tours

Support our guided walking tours which occur annually from September - November. Help us print our Colonial Burying Ground and the self guided Walk Norwich Trail brochures.

School Programming

Help us provide in class programming and field trips on the Norwichtown Green and Colonial Burying Ground for students.

Greenleaf House Restoration (2025)

The 1763 David Greenleaf House will serve as a handicapped accessible event space, complementing the neighboring Leffingwell House Museum to create a historic campus.

OPPORTUNITIES

Events

Consider supporting our three upcoming events, our Annual Meeting, Marquis de Lafayette U.S. Tour Bicentennial celebration, and Antient Ghosts of Norwich Tour.

Dr. Daniel Lathrop Schoolhouse

We are looking for a donor to name the space as a new interactive activity area for families and children.

250th Anniversary (2026 and beyond)

July 4, 2026 will mark the 250th anniversary of the founding of the United States of America. The NHS is preparing events to celebrate.
